

FISCAL NOTE

SB 2845 - HB 2865

March 12, 1998

SUMMARY OF BILL: Provides that revenues from the sale of any vehicle seized and forfeited for violations of either the DUI laws or driving with a license that is suspended or revoked will compensate the seizing agency for their expenses. Such expenses are towing, storage, and auctioneer services. Sixty (60) percent of revenues in excess of these expenses are to be remitted to the Alcohol and Drug Addiction Treatment Fund. The seizing agency would retain the remaining forty (40) percent. Current law allows the seizing agency to keep 30% of such revenues to pay expenses with the remaining 70% to be deposited to the Fund.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues -	\$100,000/Alcohol and Drug Addiction Treatment Fund
Increase State Revenues -	\$31,000
Increase Local Govt. Revenues -	\$69,000

Assumes that the prior year total revenue of \$142,857 will continue to be collected from these vehicle sales and that local law enforcement will continue to account for 69% of seizures. Assumes that the average revenue from the sale of these vehicles will remain approximately \$278.
